

Baker's Box BBQ

Supplies Needed:

Stamp Set: Pun Intended

Ink: Pumpkin Pie for sponging, Basic Black for sponging, white embossing powder, VersaMark

Paper: Crushed Curry, Basic Black, Silver foil sheet, Real Red

Accessories: Festive Flower punch, Sprinkles punch, Tree builder punch, mitten punch (retired), ¼ inch circle punch, paper trimmer, glue dots, SNAIL, dimensionals, tear and tape, fast fuse, heat gun, sponge, small piece of window sheet

Directions:

Cut 2 pieces from the baker's box thinlits. Cut the upper ROUNDED part of flap off on one piece only.

On the other piece glue the entire flap inside the box front.

Cut a piece of 1/2" by 9-7/8 inches. Score at 1/2", 3-1/4", 3-5/8", 6-1/4", 6-7/8" and 9-3/8". Only adhere both ends to the inside of the box.

Cut a piece of silver foil 2-5/8 x 2 inches and fold in half. Adhere the top part to the inside of the box to make the utensil holder. Cut scrap pieces of basic black cardstock for the four sides and adhere. Also punch silver foil for the knobs on

the front and adhere.

Punch several “flames” from the festive builder punch and sponge with Pumpkin Pie. Adhere with glue dots. Punch swirls from the Sprinkles punch and adhere the same. Punch 3 “tree tops” from the tree builder punch. Emboss with sentiment. Attach with dimensionals and a glue dot to the scrap of window sheet.

For personal use only. Please do not distribute on the internet.
