7. The inside template measures 4-1/4" x 4-7/8". Score on the 4-7/8" mark at 1/2" and 4-3/8". A copy of the template is in a separate download. Place tear and tape along the scored lines and attach to the center.

### **FATHER'S DAY SIX PACK**

To make this you cut your cardstock the same measurements as the Easter Basket Card. The only difference is you cut the flaps off as in the picture below.

The points in the pic are made by measuring halfway from each score line up to the middle approximately 1 inch.
