#### Instructions:

1. Cut two pieces of cardstock 2-1/2" x 11".

3. Take the other piece of cardstock and score on the 11" side at 4-3/4", 7-1/4", 8-1/4", 10-3/4".
4. On the end of this piece with the 4-3/4" scored line, punch in the Scalloped Tag Topper Punch.
5. Take the 2" Circle punch and punch a circle between the first and second score lines to the right. You will have the 1/4" scored line to the right of this when done.
6. Burnish all your fold lines and place Tear and Tape on the 1/4" strip. Adhere to the back.
7. Cut a piece of Whisper White Cardstock (to make your own DSP) 2-1/4" x 11. Stamp your stamps randomly on this piece. Cut into 2-1/4" x 2-1/4" pieces. Adhere to the cardstock strip.
8. Wrap this piece around the other. See picture. Adhere ends.
9. Stamp greetings on small scrap piece of Whisper White and cutout using framelits. Sponge edges if desired. Punch circles out with the 1-3/4" circle punch. Die cut the heart strip.
10. Adhere to the flower pot holder. Put on binder clip. Attach ribbon with glue dots.

11. Place a pellet in the bottom of the flower pot and roll up seed packet.
12. I bought the cute little succulents at Meijer. Or you can make your own using the Oh So Succulents Bundle.
13. I would place these in the cello bags and tie with ribbon for packaging.

Enjoy!!
