

Santa Treat Holder

Supplies: Envelope Punch Board, Mini Treat Bag Thinlits, Best Badge Punch, Everyday Label Punch, Labels to Love Stamp Set, Real Red Cardstock, Whisper White Cardstock, Scrap of Daffodil Delight, Gold Cording, 1/8" Circle Punch, Real Red ink, Garden Green ink, Softly Falling Embossing Folder, Glue Dot, SNAIL, Tear and Tape, corner rounder, Big Shot

Directions:

Cut a piece of Real Red cardstock 6-1/4" x 6-1/4". Place on Envelope Punch Board at 1-3/4" and punch and score. Move cardstock over to the 3-1/4" and punch and score. Turn and work all the way around using the score lines.

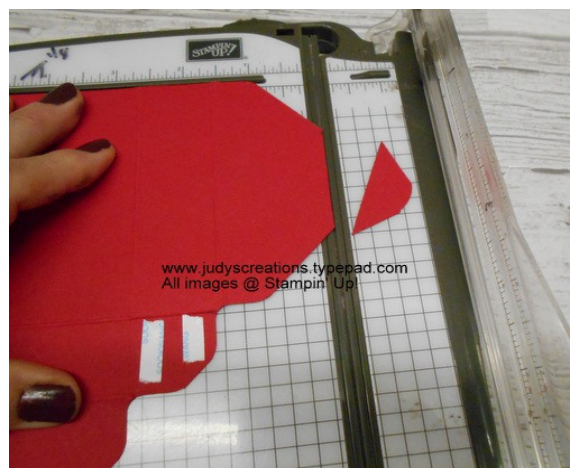

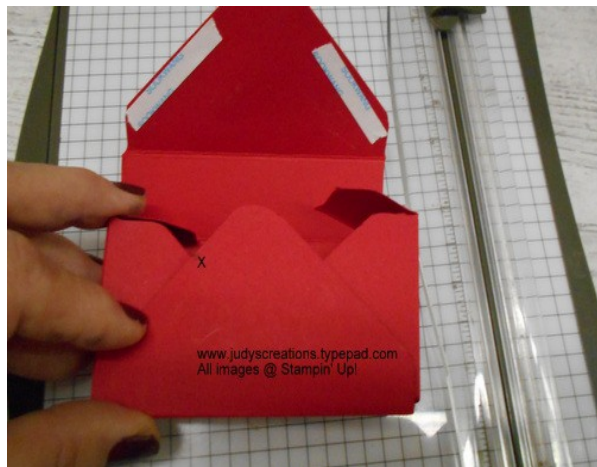

In the previous pic, I rounded all the corners with my corner chomper. Cut the ends to make the folded ends.

Showing placement of tear and tape on both sides.

Where the X is, trim the notch off, otherwise you can't close the box. Do this on both ends

Punch Whisper White with the Best Badge Punch and run through the Big Shot with the Softly Falling embossing folder. This makes Santa's "beard". Trim the top off of the "punched shape" to be straight across the box. Die Cut the "belt" from the Mini Treat Bag Thinlits in Basic Black. I just eyeballed a square with the Daffodil Delight for the clasp. Stamp and punch out the sentiment with Everyday Label punch. Punch a hole with 1/8" circle punch. Tie on trim. Adhere to box with glue dot. This box will hold approximately 10 Hershey kisses.

Enjoy!!!
